SUPERVILLAINS

The difference between villains and Super villains?
A super villain is b-a-d-d-e-r but they're usually better dressed
with bigger plans and huge egos. CN sees what it takes to make
the grade and become a truly super supervillain...

SHOW ME THE MONEY!

Villains just want money. Super Villains want *all* the money and all the power! They want to rule the world, or failing that hold it to ransom. Robbing banks. Stealing a boy's robot or the formula for Chemical X are just things they do to stop themselves from getting bored.

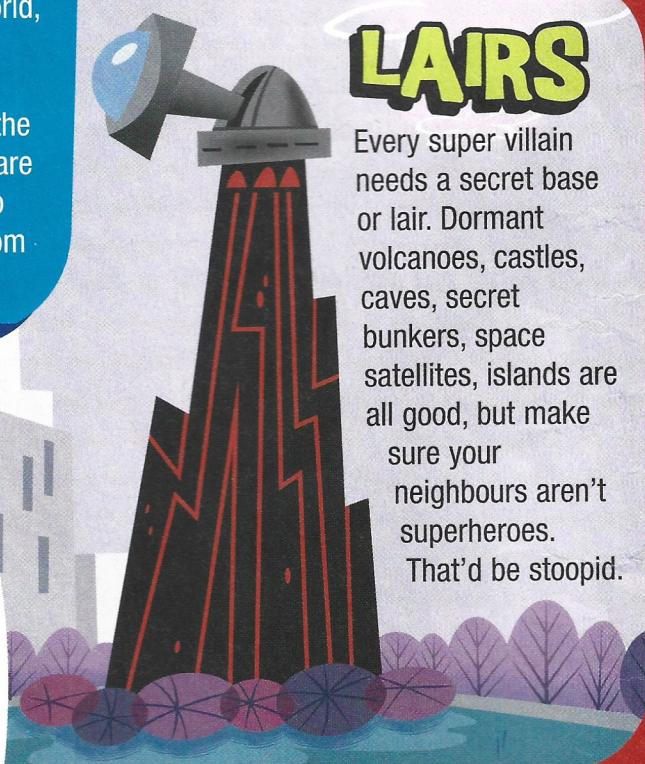

TAKE A SEAT

Ever noticed that all supervillains have a snazzy chair? It's not coincidence - it's just the f-a-s-h-i-o-n.

LAIRS

Every super villain needs a secret base or lair. Dormant volcanoes, castles, caves, secret bunkers, space satellites, islands are all good, but make sure your neighbours aren't superheroes. That'd be stoopid.

SUPERVILLAIN HALL OF FAME

It's not all about metal masks and bald heads. Oh, hang on, maybe it is?!

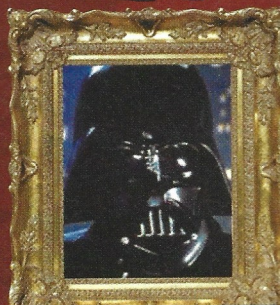

LEX LUTHOR

Arch Rival: Superman

DOCTOR EVIL

Arch Rival: Austin Powers

DARTH VADER

Arch Rival: Obi Wan Kenobi

DOCTOR DOOM

Arch Rival: Mr Fantastic

CATCHPHRASES

Five phrases every supervillain should know... and **one** we've made-up. Can you spot the false one?

"At last! Victory shall be mine!"

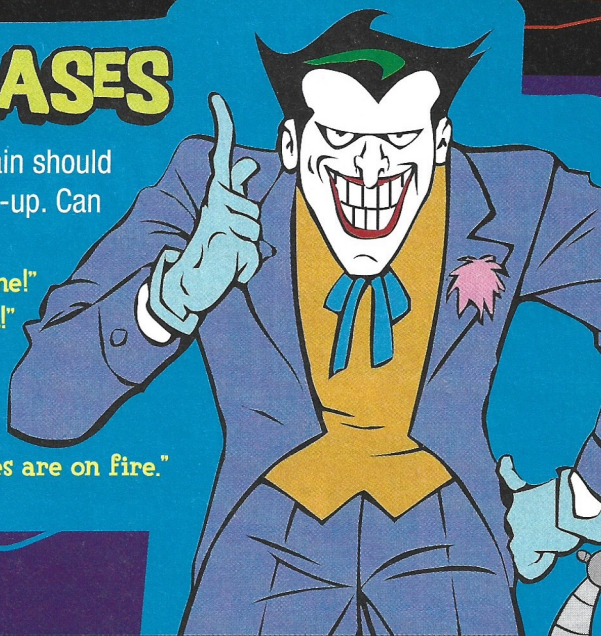

"Prepare to meet your doom!"

"Mwoo-hahahahaha!"

"No prison can hold me!"

"I'll be back!"

"Pass me that pigeon. My toes are on fire."

HIRED HELP

It's a personal choice but every super villain needs someone to carry out his schemes and plans. Whether it's a trusted aide, like Constantine, hired goons, henchmen, minions, lackeys or slaves, you always need someone to blame when it all goes wrong. Unfortunately they'll nearly always let you down.

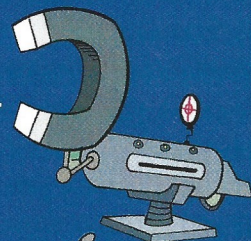

MOJO JOJO IS NOT JUST A SUPER, SUPER VILLAIN. I'M A GREAT COOK, TOO!

TOP FIVE WEAPONS

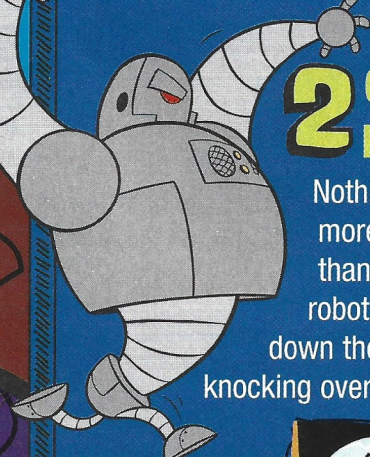

1 Death rays:

Big ones, little ones, green, red or white, they're always popular. You can't go wrong with a good death ray. Unfortunately the death rays usually do.

2 Giant Robots:

Nothing is more fearsome than a huge robot stomping down the street knocking over buildings.

3 Clone Armies:

An endless evil army to do your bidding and they look impressive, too. Doctor Kamikazi's weapon of choice.

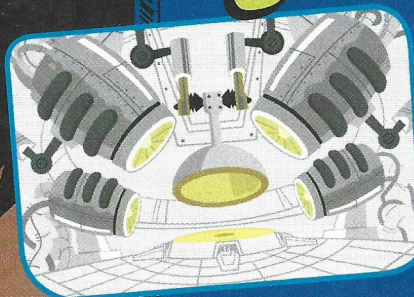

4 Monsters:

A chance to show your creative side. And probably your only chance to order something about before you're finally defeated.

5 Brain washing machine:

A huge satellite dish, a mad scientist and you're away. Get the world to do you're bidding the easy way (but it's not as much fun).
